Thanks, Dennis, I saved that email so will get the date from it. I wasn't sure if you needed to do something else once you got the final QAPP.

Thanks! Moving ahead slowly but surely. We are preparing the consent package for the driller for Debbie Butler, the CO. Walgreen's insurance certificate has been ordered.

Hi Susan!

look for the email that i sent you stating that the QAPP was approved and use that date. If you can't find that email then, I will look for the document on Monday when I return to the Office and get back to you with a date.

Buenas tardes Dennis,

I am completing the advance paperwork to request CLP space for the wireline samples to be collected as part of the geophysical investigation. The request has a space for the date you approved the final QAPP. Can you provide this please?

¡Gracias!

Susan
